OBJECTIVE

With an open heart and mind, I will utilize my work experience in the nursing field, nursing education, and encouraging nature to provide excellent care to my patients and their loved ones.

WORK HISTORY

Mercy Hospital Gastroenterology Clinic - Registered Nurse 11/2022 to present

- > Coordinating patient care among the doctors, physician assistants, medical assistants, and more
- > Promptly handling calls, messages, tasks, prescription refill requests, and prior authorizations while working remotely

SSM Saint Louis University Hospital Ambulatory Surgery - Registered Nurse – 09/2020 to 11/2022

- > Acting as occasional charge nurse, preceptor, and/or IV nurse depending on needs of department
- > Pre and post-oping patients for procedures specifically focusing in gastroenterology (EGD, colonoscopy, ERCP, PEG, etc)
- > Performing detailed head-to-toe assessments on patients in pre and post-op, ensuring patients' health is properly cared for
- > Facilitating communication between patients, attendings, fellows, residents, and more for clear communication and orders

Vios Fertility Institute - Registered Nurse – 09/2019 to 09/2020

- > Consulting with patients and couples to find the best, individualized path toward fertility
- > Multitasking—facilitating insurance, specialty pharmacies, and communication between clinical staff and patients
- > Circulating sterile procedures like In Vitro Fertilization (IVF), egg retrievals, and embryo transfers
- > Performing traditional Intrauterine Inseminations (IUI)

SSM DePaul Labor and Delivery - Registered Nurse – 06/2018 to 09/2019

- > Utilizing nursing judgment and skills to manage the laboring woman from start to the birth of the newborn
- > Serving as a circulating nurse in the operating room for cesarean sections, dilation and curettages, and more
- > Performing neonatal resuscitation when receiving newborns at birth and managing the baby throughout their stay
- > Serving as a postpartum nurse: maintaining the health of the newborn and mother and assisting with discharge

SIUE Private Science and Mathematics Tutor — 08/2016 to 06/2018

- > Teaching Biology Honors, Biology AP, and Chemistry 120A to high school and college students
- > Providing individualized education to fit the specific student's learning style

EDUCATION

Southern Illinois University Edwardsville

- > Bachelors of Science in Nursing
- > Meridian scholar, honors student, and Dean's list

Dunlap High School

- > GPA 4.0 out of 4.0
- > Valedictorian
